OFFICE OF COMMISSIONER  
JAMES H. QUELLO

To Whom It May Concern

It is a pleasure to recommend James Leonard Reinsch, Jr. for entrance into law school.

I have known him and his family for over twenty years. Over the years, I have admired his communications leadership, character and motivation. I am particularly impressed that an executive of his business and civic accomplishments now has the initiative and drive to attain a life long ambition to become a lawyer.

Not only does he have my highest recommendation but I would be delighted to have someone of his character and earnest practical sense of justice and reason as an FCC lawyer. We have approximately 272 attorneys at the FCC involved in complex legal matters on a daily basis.

Sincerely,

  
James H. Quello
