OFFICE OF COMMISSIONER  
JAMES H. QUELLO

November 26, 1991

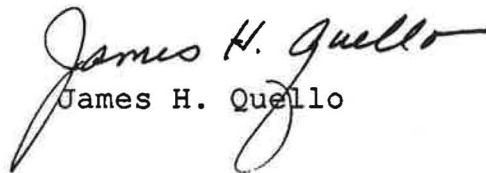

To the Staff of KFHR-FM:

Congratulations! On Wednesday, November 27, 1991, non-commercial radio station KGHR goes on-air. This station will provide the first non-commercial radio service to the people of Tuba City, Arizona, and the surrounding area. Listeners will have the opportunity to hear a wide variety of informational and educational programming. Furthermore, this station will serve as a classroom by providing instruction on all aspects of operating a radio station.

As a former broadcaster, I know first hand the important role local broadcasting has in a community. Now, as a regulator, I champion local broadcasting. I encourage station management and listeners alike to work together in providing programming designed to meet your needs.

I wish you all the best for a successful broadcasting service.

Sincerely,

  
James H. Quello
