OFFICE OF COMMISSIONER  
JAMES H. QUELLO

July 10, 1992

PERSONAL

The Honorable Al Gore  
United States Senate  
Washington, DC 20510

Dear Senator Al,

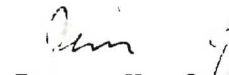

Mary and I were delighted with the announcement of your selection as a VP candidate. Congratulations to you and to Governor Bill Clinton for selecting such a capable, strong running mate. Also, what a great asset Tipper has turned out to be!

I have served on numerous panels and engaged in contentious debates decrying excessive violence and sex on TV and radio, particularly the effect on young children. (Unusual role for me, a beat-up World II veteran formerly exposed to the ultimate in creative obscene language.)

I'm amazed at the instant outpouring of conservative and moderate support, both democratic and republican, because of Tipper's stellar leadership role in fighting obscenity.

Finally at my age, an active tennis playing senior citizen, all I want is what you and most Americans want -- a decent effective government in a strong, solvent, socially progressive America.

Best,

  
James H. Quello
