

STATEMENT OF  
COMMISSIONER JAMES H. QUELLO

In Re: KORK-TV

Certain press reports have alleged that I inadvertently contributed to a premature release of information in this proceeding. My comments to the press were of a general, philosophical nature and, in my opinion, could not have contributed materially to an understanding of the specific action taken by the Commission. Nor do I believe that such comments could in any way have prejudiced either party; however, with a view toward avoiding even an appearance of impropriety, I have decided to abstain from voting on the Final Decision.
