Garden Grove, CA 92640

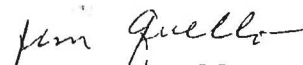

Dear Dr. Schuller,

Your most gracious congratulatory letter is being placed in the permanent archives of the Quello family.

It is more than I expected or deserved, but it is greatly appreciated by me, my son Dick and the entire family. It is the most cherished of all my congratulatory letters.

Thanks for your thoughtfulness and best wishes for continued success in your God given talent to inspire millions.

Yours with respect and admiration,

James H. Quello
