Dear Lew,

I wish I could be with you to celebrate your landmark retirement and to personally congratulate you on a lifetime of notable accomplishments.

We should have a broadcast executive Hall of Fame. Your years of broadcast leadership and outstanding civic service would make you a first round draft pick.

You have served your community, state and nation with honor and distinction.

Mary joins me in wishing you and Janet health, happiness and God's blessings in the years ahead.

Best personal regards always,

James H. Quello
Chairman
