Dear Ms. Kelley,

I am writing to commend Catherine Butcher for your consideration for full-time employment at the FCC.

Mrs. Butcher is applying for consideration under the Honors Program. Based on her two semesters' internship in my office I have no hesitation in recommending her selection. Cathy's area of specialization has been in common carrier matters, and she has done excellent work on such varied and complex policy matters as video dialtone, price caps, and the AT&T nondominance proceeding. Cathy has also worked on several mass media issues and is researching and drafting a law review article for me on the topic of the FCC in the year 2000. Throughout these challenging work assignments Cathy has demonstrated not only her considerable legal and analytical skills but also excellent interpersonal skills and a willingness to work long hours with minimal supervision by my legal advisors.

In sum, Mrs. Butcher's talents and experience admirably suit her for a permanent position as a Commission lawyer, a job she is most eager to pursue. I recommend her to you without qualification. Please let me know if you would like any further information or elaboration as you evaluate her qualifications.

Sincerely,

James H. Quello
Commissioner
