Another gracious note from
the "Super Honorable" Peatsy Hallings-
This, plus recent personal notes from
Senator Ted Stevens and John
Dingell should, naturally, be treated
very confidentially.

Incidentally, I have an
appointment with Chairman Billy Tauzin
at 2 PM February 6th. He is the
keynote speaker for the Quello Center
Symposium March 26th at the
Willard Hotel. FCC Chairman Michael
Powell has agreed to introduce him.

Best,
Jim

Dear Jim,

I love the angel! you
would have heard earlier
but we left 12/28 for Europe -
Sen + Mrs. Shelby were along
with us and while the 2
weeks were great learning
times we all returned

tired!! Jutz and I went
to Chas. and traveled
the state for 5 days - one
would think he was
running for Stroms seat!

Keep in Touch - and
if we can help you
in any way call!

Warmly,
Peatsy.
