Nice note received yesterday afternoon from former president pro tem Ted Stevens.

Noteworthy that Senator Dan Inouye will be democratic President Pro Tem for my birthday . . . nice combo - - a former Republican president pro tem and a current Democrat! Stay healthy and happy - - Remember the date, April 21, 2014, Army Navy Country, Club, Arlington, Virginia.

GOD BLESS AMERICA

4/29/09

Dear Jim:

Your party on 4/21/14 is not
that far off now!

I understand from your
letter to Chairman Day that
his still on the reservation
list. Maybe you should be
sure that the Army Navy
Country Club has parking arrangements

for our self propelled walkers!
All of us admire your
determination to be the
"man of the year" on that
date.

With Dan's re-election
he will be President Pro
Tem (or Pro-tem Emeritus) so
he could draw a crowd
for you.

Sincerely, 4 1/2 years
Doesn't seem that far away!
See you there.
