Dear Lesley:

Hearty congratulations to hubby, Aaron, on his exclusive De Lorean article. It was especially well-written -- compelling yet discrete.

Needless to say, it was particularly fascinating to a couple of old Detroiters like Mary and me. Thanks.

Congratulation, too, on your superb handling of "Face the Nation" -- I much prefer your format over the old single interview. I find you perceptive and searching without being over-intrusive or arrogant. (Some of the network commentators get only average marks on the last two points.)

Mary joins me in sending best wishes for health, happiness, and continued achievement in this New Year.

Cordially,
