Dear Bob,

I'm delighted to learn that the late Edgar A. "Bud" Guest has been nominated for the Michigan Journalism Hall of Fame.

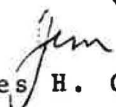

I had the privilege of working with Bud from 1947 to 1970 at WJR. For most of those years Bud was the most respected and popular radio feature editor in Michigan.

He was the "toast of the town" with his daily 15 minute features 8:15-8:30 AM titled "news from the sunnyside of the street."

Bud was a warm human being of great character and sensibility. He was loved by all who knew him.

It is a distinct pleasure for me, both as a former associate and former boss, to recommend Bud for the Journalism Hall of Fame. It is a well earned special recognition for Bud and will reflect credit on your selection processes.

Sincerely,

James H. Quello
