Dear Dave,

Congratulations on your association with Dewey Ballantine, a prestigious law firm.

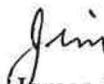

Congratulations are also due Dewey Ballantine for selecting such a superbly qualified, respected communications specialist.

Your boss and my longtime close friend, Chairman John Dingell, has mentioned on three different occasions that you were the best he ever had. Our entire office agrees -- Also Pete Belvin, my former senior advisor, now senior communications advisor to Senate Communications Chairman John McCain, has always respected your bipartisan communications expertise.

Needless to say, you are always welcomed at the FCC. Your knowledge and open minded approach has earned the respect and won friends among all the bureaus.

Best wishes for continued achievement in the exciting years ahead. I'll call you for a congratulatory lunch (on me).

Cordially,

  
James H. Quello  
Commissioner
