OFFICE OF COMMISSIONER
JAMES H. QUELLO

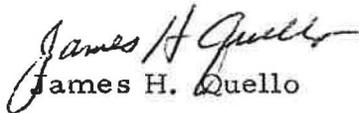

To Whom It May Concern:

I have known Bob Habermas for over eighteen years, both as a co-worker and employee. He is conscientious, enthusiastic and effective. He is a man of great integrity and character.

I organized the Wolverine Sports Network with WJR as the key sponsoring station. Bob Habermas took my place and became president of the network. Frankly, the network increased in both size and profitability under his direction because of his total dedication, drive and salesmanship.

In my opinion, Bob Habermas will make an excellent sales manager or account executive for a broadcast company. I'd be pleased to discuss his qualifications personally with any interested party.

Sincerely,

James H. Quello
