

FEDERAL COMMUNICATIONS COMMISSION

WASHINGTON, D.C. 20554

OFFICE OF COMMISSIONER  
JAMES H. QUELLO

December 12, 1983

Honorable Timothy E. Wirth, Chairman  
House Subcommittee on Telecommunications,  
Consumer Protection, and Finance  
B331 Rayburn HOB  
Washington, DC 20515

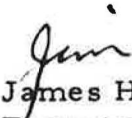

Dear Chairman Tim:

My belated thanks for your staunch support and leadership in legislating funds for public broadcasting. It was needed, deserved, and appreciated.

After reading the transcript of the Congressional Record, I realize the increase just wouldn't have materialized without your and John Dingell's active advocacy (supported by my most able TCAF associates Al Swift and Tom Tauke).

You are an effective champion of public broadcasting and all of us in TCAF appreciate your support.

Sincerely,

  
James H. Quello, Chairman  
Temporary Commission on  
Alternative Financing for  
Public Telecommunications
