Dear Mr. Quello,

Bill Goodman (4) KPRC-TV  
Houston, TX

Your letter of June 14th was most welcome. I appreciate your words of concern and caution with regard to how we broadcast journalists operate. As a matter of fact, as I have been travelling around the country making speeches during this, my "presidential" year, I have taken the liberty of quoting liberally from your speech. I consider it on target and I have emphasized that it comes from a friend of broadcast journalism; all the more reason to take it seriously.

Tom Bier (5) WISC-TV  
Madison, WI

It was very kind of you to take the time and the interest to write, and I thank you for your kindness.
