

FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

OFFICE OF COMMISSIONER
JAMES H. QUELLO

August 11, 1986

The Honorable John C. Danforth
Chairman,
Committee on Commerce, Science,
and Transportation
United States Senate
Washington, DC 20510

Dear Chairman Danforth,

Without your active leadership and your excellent, practical "must carry" proposal, I don't believe the FCC would have adopted some of the more vital provisions of our proposed must carry rules.

As a fellow proponent of reasonable must carry and a balanced communications marketplace, I especially appreciated your active participation.

All broadcasters and particularly, public broadcasters owe you a vote of thanks. Cable operators, too, should appreciate that their long range interests were well served by your participation.

Cordially,

James H. Quello
