OFFICE OF COMMISSIONER  
JAMES H. QUELLO

Chairperson,  
Graduate Studies Dept.  
Strayer College  
1100 Vermont Ave., NW  
Washington, DC 20005

Dear Chairperson,

It is a pleasure to recommend Maria A. Hess for admission to the graduate school of Strayer College.

I have known Mrs. Hess and her exceptional family for over twelve years. They are an intelligent, honest and tremendously well motivated Hispanic family. Maria and her family generate their own affirmative action through hard work, positive attitude and successful accomplishments. Maria, herself, has enjoyed remarkable initial success in her own business career and an MBA would provide an academic background for further progress.

Maria is a winner and she will reflect credit on your college as a distinguished alumna.

Sincerely,

*James H. Quello*
