April 20, 1988

Joel Chaseman, Chairman/CEO  
Post-Newsweek Stations, Inc.  
1150 15th St., NW  
Washington, DC 20071

Dear Joel,

Your visionary Town Hall lecture of January 27, 1981 is uncanny in its application to 1988 television regulation and operations!

I'm saving the booklet as a reference source for timely perceptive quotes for regulators and regulatees (especially the former).

Thanks for forwarding the booklet and congratulations on a masterful exposition.

Best,

  
James H. Quello
