Dear Tom,

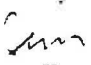

My "Vintage Tennis Player" award arrived via John Sturm.  
Your thoughtfulness is appreciated. Mary and I thoroughly  
enjoyed imbibing the "vintage" yesterday on my 74th birthday!

I hope next year (the Lord willing) I'll be able to merit  
a more competitive award. In the meantime, I'll keep smiling  
and I'll keep growing older so that I can qualify for "most  
congenial" or "most vintage."

You do an excellent job of handling the tournament so  
I'm looking for an appropriate "most efficient" award for you.

Thanks again and best wishes.

Cordially,

  
James H. Quello
