Dear Wally,

I was delighted to read of your re-election as NAB Chairman for the second one-year term. It is good news for the industry and the public it serves.

You are exceptionally well qualified from every standpoint -- knowledge of the business, personality, lobbying acumen and overall leadership. Besides, I have a special liking for anyone who worked with Charley Crutchfield.

Best wishes to you and Eddie for another successful year.

Cordially,

  
James H. Quello
