Dear Marlene,

Your recent letter officially recognizing my AWRT Silver  
Satellite Award has a cherished place in my permanent files.

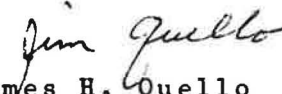

Again, thanks for such a rewarding and complete surprise  
at your annual convention.

My staff simply would not believe I was surprised  
speechless! I think they are plotting little weekly surprises  
hoping it works in the office.

Let me know when you come to Washington so we can plan lunch  
or a visit.

In the meantime, my heartfelt appreciation and best wishes  
to AWRT for continued achievement.

Cordially,

  
James H. Quello

Dear Mr. Quello:

One of my final duties as National President of American Women in Radio and Television is to officially advise you of your selection by the Board of Directors as the recipient of the 1988 Silver Satellite Award. As I indicated during my presentation the evening of June 9th, you are most deserving of this honor and we applaud you. As evidenced by the many congratulatory notes you received, there are many in the industry who also support our decision.

Thanks again for being with us as our luncheon speaker at the convention and also as our surprise honoree at the industry banquet.

Sincerely yours,

Marlene A. Belles  
President
