Dear Augie,

Congratulations on your momentous 50 years of distinguished broadcasting service to Alaska.

Your pioneer efforts made the most vital contribution to a much needed communications and broadcast service in our 49th state. You have served both the nation and state with honor and distinction.

You are a model of leadership and integrity for the industry and a source of pride to your friends. You can be justifiably proud of your accomplishments and I am privileged to have you as a valued friend.

Mary joins me in wishing you continued achievement, happiness and God's blessings in the years ahead.

Warmest regards,

James H. Quello
