

FEDERAL COMMUNICATIONS COMMISSION  
Washington, D.C.

OFFICE OF COMMISSIONER  
JAMES H. QUELLO

November 24, 1989

Mr. Carl E. Lee, President  
Fetzer Broadcasting Service  
590 West Maple Street  
Kalamazoo, MI 49008-1990

Dear Mr. Lee,

From one oldtimer to another, hearty congratulations on 50 years of distinguished broadcast service!

Our friendship goes back to 36 years of that memorable 50. You are not only a cherished longtime friend, but I consider you my best personal friend in broadcasting. Without your and John Fetzer's vital early support, I doubt if I would have been confirmed as "Commissioner."

Carl, we should have a broadcasting Hall of Fame -- your distinguished pioneer efforts and years of broadcast leadership would make you a first round draft pick.

You have been a model of broadcast integrity and a source of pride to your many friends.

You have served your community, state and nation with honor and distinction.

Mary joins me in wishing you and Winnie health, happiness and God's blessings in the years ahead.

Best personal regards always,

*Jim*  
James H. Quello
