Attn: Dana Mortensen

Dear Ms. Mortensen,

It is a pleasure to recommend Daren Benzi for entrance into law school. I have known him and his family for over fifteen years. Over the years, I have admired his character, motivation and practical intelligence. He has personally defrayed most of his college expenses through hard work and entrepreneurial enterprise. I was particularly impressed the past two years with his initiative and drive when he started a successful cleaning and painting business to work his way through college.

Not only does he have my highest recommendation but I would be delighted to have someone of his character and earnest practical sense of justice and reason as a legal intern at the FCC which is involved in complex legal matters on a daily basis.

Sincerely,

  
James H. Quello
