OFFICE OF COMMISSIONER

PERSONAL

The Honorable John D. Dingell
Chairman
Committee on Energy and Commerce
2125 Rayburn HOB
Washington, DC 20515

Dear John,

Thanks for all your stellar efforts to assure my reappointment -- also for your thoughtful note and the favorable Detroit News clipping.

The Detroit News paragraph about my nomination being DOA before your timely contacts with Messrs. Sununu and McClure is true. The gratifying widespread support seemed to pour in only after those key contacts. You should know, however, that two of our mutual good friends, Ward Quaal and John Connarn, were early supporters and very helpful. I have other fascinating stories about reappointment intrigues that are a little long for written purposes. I'll regale you with them the next time we have lunch or a visit.

It seems that I have been supported by all the conflicting interests at the FCC -- so I'll just have to stay with the old fashioned principle of deciding on the merits.

Again thanks for your support, but more importantly, for your staunch friendship through the years. I'll do my best to conduct myself so as to merit your continued confidence.

Best wishes for continued achievement in all your undertakings.

Cordially,

Jim
