

FEDERAL COMMUNICATIONS COMMISSION

WASHINGTON, D.C. 20554

OFFICE OF COMMISSIONER
JAMES H. QUELLO

Diane Suttley

Congratulations to Diane, a respected friend and broadcast leader, and also to AWRT for selecting such an eminently well qualified honoree. Diane's career has been characterized by notable leadership achievements -- a group broadcasting executive; past president of AWRT, past president of the Pennsylvania Association and many more.

So a special salute from a senior FCC Commissioner to a dynamic lady who doesn't believe in woman's equality -- she refuses to step down.

Best,

Jim
