FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON, D.C. 20554

OFFICE OF COMMISSIONER
JAMES H. QUELLO

Dear Sir/Madam,

As the senior FCC Commissioner, it is a pleasure to recommend Angela Wu for a management position.

Although Miss Wu has not worked directly for me, my opinion is based on direct observation by me and my staff while working in close cooperation with Commissioner Chong's office.

Miss Wu is intelligent, efficient and effective. She has an engaging personality and excellent organization abilities. She demonstrated her administrative abilities by efficiently organizing the Commissioner's office during a hectic time at the FCC and also in expediting many important official FCC circulate items.

She is well liked and respected by other Commission staff members. I recommend her without reservation and, if she were available, I would consider her a valuable addition to my staff.

Sincerely,

James H. Quello
Commissioner
